An Attractive public speaker

BY: Vida

Keysha was born on December 14, 2013, in Jakarta, Indonesia. She is a student at Bukit Sunrise School, where students are encouraged to join after-school clubs to help them grow. When Keysha entered Primary 5, she joined the public speaking club because she wants to learn how to speak confidently in front of others.

At first, she felt nervous, but over time, she started to enjoy it. The club helps her gain more confidence, and now she feels more comfortable speaking in front of classmates and teachers.

Although the club can sometimes be tough or even a little boring, she knows it makes her a better speaker. Right now, the club is working on poetry, which is new and a bit challenging for her. Still, she goes there every Monday and gives it her best.

That is all about Keysha see you next time!
